Key & Interpreting Data

We prepare our food in kitchens with products containing gluten and nuts. Allergy data detailed in the table below has been derived form specifications obtained from the suppliers of our products. Please inform staff of any food allergies prior to placing your order, even if you have eaten the dish previously, so that every precaution can be taken in the kitchen to prevent cross-contamination although this cannot be guarantee this. We have taken all reasonable steps to ensure that this table is accurate. We cannot guarantee that any product is "100% free from" any allergen because of the risk of unexpected cross-contamination.

Yes	Yes in the column indicates that the information that has been supplied to us indicates the product is suitable for Vegan/Vegetarian/Lactose intolerants.
No	No in the column indicates that the information that has been supplied to us indicates the product not is suitable for Vegan/Vegetarian/Lactose intolerants.
Free From	Means that the allergen is not part of the product as it is delivered by the supplier.
Contains	Indicates that the product contains that allergen.
May Contain	Means that this allergen is present in the manufacturing site/factory and our suppliers believe there is a risk that this allergen could cross-contaminate food.
Unkown	Is where ingredient detail for the item is currently unavailable from the supplier and will be added on to the table upon obtaining it.
